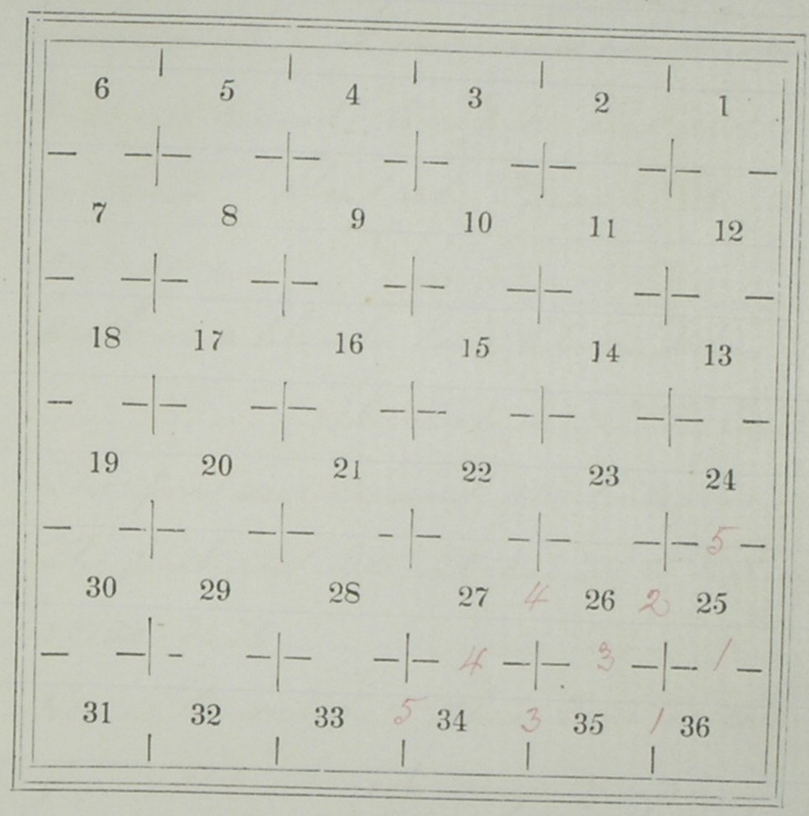
Township 9 North Range 12 West 6th P.M.



Field Notes of the Subdivision Lines and
Meanders of Platte River in Township
9 N. Range 12 W. 6th Prin Meridian
To determine the proper adjustment
of my compass for subdividing this
Township. I commence at the corner
(Post and Mound) to Tp 8 N. R 11 and 12 W
on the 2nd Standard Parallel North.
and run.
North on a blank line between Sections 31 and 36
(Variation 13°26' East

40.00 The post and Mound quarter section corner

80.00 The post and Mound corner to Section
25. 30. 31. 36.

Hence to retrace this line as run
parallel thereto my Compass
must be adjusted to a Variation of
13°26' East.

Chain compared with standard and
found correct.

Use Burts Solar Compass.

Subdivisions commenced Aug 5th 1879

Township 9 N. Range 12 W. 6th Prin. Merid.

From Post and Mound corner to Sections
35, 36, on the South Boundary of the
Township I run
North between Sections 35 and 36
Variation 13° 26' East.

40.00 Drove a charred stake. Set a post. Raised
a mound. with a trench as per instructions
for quarter section corner

70.00 Road leading from Fort Kearney to Nebraska
City bearing NE and SW

75.00 A Slough 10 links wide course NE.

80.00 Drove a charred stake. Set a post. raised
a mound, with a trench, as per instructions
for corner to Sections 25, 26. 35. 36
Level bottom land. Soil good 2nd rate

East on a random line between Sections 36 and 25
Variation 13° 26' East

10.34 A slough course NE

22.00 The road leading from Nebraska City
to Fort Kearney. bearing N 35° E and S 65° W

Township 9 N. Range 12 W 6th Prin Meridian

40.00 Set a post for temporary quarter Sect Cor.

80.03 Intersect the East Boundary of Township
13 links North of the corner to Sections
25, 30, 31, 36. from which corner I run
West on a true line between Sections 25 and 36
Variation 13° 20' East

40.01½ Drove a charred stake. Set a post, raised
a mound with a trench as per instructions
for quarter section corner

80.03 The corners to Sections 25, 26, 35, 36
Level bottomland, good Soil 1st rate

North between Sections 25 and 26
Variation 13° 26' East

23.00 Slough course NE

27.66 Intersect the Right and SE bank
of Platte River at which point I
drove a charred stake Set a post. raised
a mound with a trench. as per instructions
for corner to fractional Sections 25 and 26
Level bottomland. Soil good 2nd rate

Township 9 N. Range 12 W 6th Prin. Merid.

North between Sections 34 and 35

Variation 13° 26' East

40.00 Drove a charred stake. Set a post. raised a mound with a trench as per instructions for quarter Section corner

80.00 Nebraska City and Fort Kearney road bearing N E and S W

80.00 Drove a charred stake. Set a post. raised a mound with a trench as per instructions for corner to Sections 26. 27. 34. 35

Level bottomland. Soil good 2nd rate.

August 5th 1859

East on a random line between Sections 26 and 35

Variation 13° 26' East

40.00 Set a post for temporary quarter section corner

80.13 Intersect. R and S line 23 links North of the corner to Sections 25; 26. 35. 36 from which corner I run West on a true line between Sections 26 and 35

Variation 13° 16' East

Township 9 N. Range 12 W 6th Prin Merid

40.06 1/2 Drove a charred stake. Set a post. raised a mound with a trench as per instructions for quarter Section corner

80.13 The corner to Sections 26. 27. 34. 35

Level bottomland 1st rate.

North between Sections 26 and 27

Variation 13° 26' East

7.72 Right and S E bank of Platte River at which point I drove a charred stake. Set a post raised a mound with a trench as per instructions for corner to fractional sections 26 and 27.

1st rate level bottomland

Knowing that the line between Sections 27 and 34 will strike Platte River in less than 80 chains. I therefore from the corner to Sections 26. 27. 34. 35 run West on a true line between Sections 27 and 34

Variation 13° 26' East

Township 9 N. Range 12 W. 6th Prin Mer'd

16.00 Right and S E bank of Platte River
Drove a charred stake. Set a post. raised
a mound. with a trench as per instruction
for corner to fractional sections 27 and 34.
Level bottomland. Soil good 1st rate

From Post and Mound corner to Sections
33 and 34 on the South Boundary of the
Township I own

North between sections 33 and 34

Variation 13° 26' East

34.64 Drove a charred stake. Set a post. raised
a mound with a trench as per instructions
for corner to fractional Sections 33 and 34
on the Right Bank of Platte River.
1st rate level bottomland

From the Post and Mound corner to Sections
24. 25, 19 and 30 on the range line between
ranges 11 and 12 I own

West on a true line between Sections 24 and 25

Township 9 N. Range 12 W 6th P'sin Meridian

Variation 13° 26' East

2.30 Drove a charred stake. Set a post raised a
mound. with a trench, as per instructions
for corner to fractional Sections 24 and 25
on the Right Bank of Platte River.
Land level bottom. Soil 1st rate

Meanders of the Right and S E bank of
Platte River through the township.
Begin at the post and mound on the
2nd Standard Parallel North And on the
Right and S E bank of Platte River 46.40 chains
West of the corner to Sections 34 and 33. And
run thence down stream with the
meanders of the Right Bank of said
river in fractional Section 33 as follows

August 6th 1859

General Description

The Land in this Township is chiefly level bottom land: fit for for cultivation.

The township is destitute of stone, timber, and small streams of water.

Ascertaining that the Southern Shore of Platte River is the Southern Boundary of the Fort Kearney Military Reservation. I therefore deem it my duty to close my

Survey on the said Southern Bank
Platte River. without Extending
any lines into said reservation

A list of the names of the individuals
Employed to assist in running, measuring
and marking the lines and corners
described in the foregoing field
notes of Township 9 N. Range 12
W. 6th Principal Meridian.
Showing the respective capacities
in which they acted.

Tract 6. T. 9 N. R. 12 W. 6 pl. Mer.

As.

Township 9 N. R. 12 W. being
fractional on South by Platte
River, I, therefore, as per
special instructions begin
at the N. E. corner
To determine the proper ad-
justment of my compass
for subdividing this Town-
ship, I commenced at the
Cor. to Ts. 9 & 10 N. Rs. 11 and 12
West and run
South, on a blank line along
the East Boundary of sec. 1
Va. 13° 15' E.

40.00 To quarter sec. Cor.
80.00 To Cor. to secs. 1 and 12
To retrace this line or run par-
allel thereto my compass must
be adjusted to a variation of
13° 15' East

Subdivision commenced August 27th 1886
by H. C. Hackbusch

Fract'l T. 9 N. R. 12 W. 6th prl m

chs.	
	From the cor. to sec. 1. 2. 35 x 36 on the North Boundary of the Township, I run South, between secs. 1 and 12 Va. 13° 15' E.
40.00	Set post, deposited charred stake and raised mound of earth with pits as per instructions for 1/4 sec. c
80.00	Set post, deposited charred stake and raised mound of earth with pits as per instructions for cor. to secs. 1. 2. 11 and 12 Land level bottom — 1st rate.

East, on a Random line between secs. 1 and 12 Va. 13° 15' E.

40.00	Set post for temporary 1/4 sec. cor.
79.64	Intersected East Boundary of T. 20 N. R. 9 W. 6th P.M. at cor. to secs. 1 and 12 from which cor. I run N. 89° 57' W. on a true line between secs. 1 and 12

Land along river bank low bottom of 4th rate quality.—
Timber: Cottonwood and Willow.
Survey Completed
August 29th, 1866.
by H. C. Hackbusch

General Description.

The land in this fractional Township is level bottom of a 4th rate quality.

The Platte River bounds it on the South and furnishes plenty of water for all use.— There is some timber of an inferior quality on the bank of River which exists in a narrow belt and consists of Cottonwood and Willow.

One settler is living in sec. 18 on the N. E. quarter.—

List of Names

A list of the names of the individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field notes of fractional Townships No. [illegible] North - Range No. 12 West of the 6th principal meridian, showing the respective capacities in which they acted:

H. Hald, Chainman
Jens Nielsen, Chainman
Geo: Ferguson, Axeman
Theodore Brassfield, Flagman.

Field Notes
of the

Survey of the subdivisional lines of Township No. 16 North of the Base Line of Range No. 12 West of the 6th Principal Meridian in the Territory of Nebraska surveyed by H C F Hackbusch. under joint Contract No. 314 bearing date the 15th day of May A D 1861. wherein H C F Hackbusch and C. J. Tamerisk are joint contractors

Timber, Elm & Ash

Survey completed August - 25th 1866

by H C F Hackbusch

Note — The change of variation for this Township is, in my opinion caused by local attraction — The lines were run with Burts Improved Solar Compass, which instrument showed those variations as noted in the foregoing field notes

H C F Hackbusch

General Description

This Township is all high level bottom mostly of 1st rate quality & well adapted to farming. Wood River which runs about N 70° E through the Southern part of the Township, is a beautiful stream of clear & pure water; It has an average width of 40 lks & is from 1 to 3 feet deep. The banks are high & steep. The stream has all advantages for Mill purposes; By a very little expense the water power may be made useful: The banks of Wood River are skirted with scattering Elm Box Elder & Ash trees;

Prairie Creek runs through the NW cor of the Township; at present the water in said creek stands in pools; the bed of the creek is about 40 lks wide; the banks are high & steep & are skirted with Elm & Ash trees

The Union Pacific Rail Road, Kearney & Fts Fort Omaha Road & Telegraph are located about

one half mile South & West about parallel to
Wood River

The Township is well settled on the
South side & along Wood River

No stone or mineral were found

List of Names

A list of the names of the individuals employed to assist in running measuring or marking the lines & corners described in the foregoing field notes of Township No 10 North of the Base Line of Range No 12 West of the 6th Principal Meridian in the Territory of Nebraska showing the respective capacities in which they acted

Land rolling, Soil dark

Survey Completed Sept. 2, 1868

by

E. D. Farnsworth

5

General Description

The quality of the land in this Township is mostly good, and well adapted to farming. As regards the Uplands, they are too broken for cultivation, but the growth of grass is sufficient to render them good for stock raising

Prairie Creek runs in a N. E. Course through the middle of the Township at the present season the water stands in pools, however it is clear and fit for all purposes. The banks of the Creek are skirted with scattering Trees consisting of Elm, Box Elder and Ash. The Country is destitute of Stone

List of Names

A list of the names of the individuals employed to assist in running, measuring or marking the lines and corners described in the foregoing field notes of Township No 11 North of the Base line of Range No. 12 West of the 6th P.M. showing the respective capacities in which they acted

Samuel M. Jones.	Chainman

Surveyor Gen Office
Omaha Nebr

Field Notes of the subdivision lines in Township 12 N. R 12 W. of the 6th P.M. in the Territory of Nebraska. Surveyed by George T. McClure Deputy Surveyor under his Contract No 31 dated the 25th day of May. 1866.

Survey

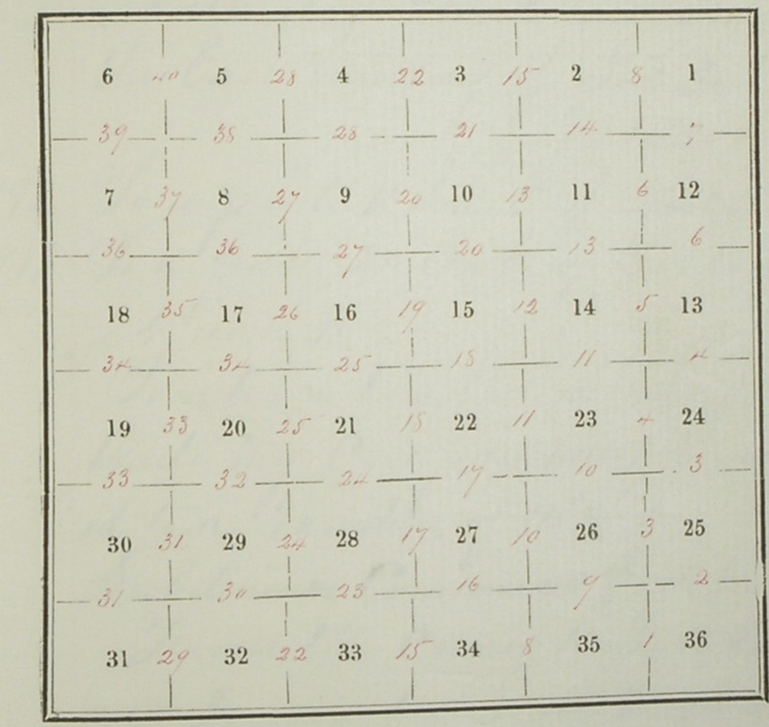
Commenced Sept. 19th 1866.
Completed Sept 25th 1866.

Examd by H. C. T.

Names and duties of assistants

William Ward	Chainman
John Stout	Chainman
James H. McGranahan	Cornerman & Flagman

Township No 12 S. Range No 12 W. 6 P. M.



V

To determine the proper adjustment of My Compass for Subdividing this Township I commence at the Corner to Townships 11 and 12 N. Ranges 11 and 12. W. and run North on a blank line along the East boundary of Sec 36

Va. 14°20' E

39.92 To a point 11 lks E of 1/4 Sec. Cor.
79.83 To a point 24 lks E. of Cor. to Secs 25 and 36

To reduce this line or run parallel thereto My Compass must be adjusted to a Variation of 14°30' E

Subdivision Commenced Sept. 19th 1866

From the Corner to Secs. 1, 25 and 36 on the South boundary of the Township I run North between Secs. 35 and 36

Va. 14°30' E

40.00 Set post & stone mound stake raised mound of earth with pits as per instruction for 1/4 Sec. Cor.
