T 33 N R 42 W.

To determine the proper adjustment of my Compass for subdividing this Township I begin at the corner to Townships 33 North Ranges 41 & 42 W. and run North on a blank line along the East boundary of sec. 36 Va 14° 21' E.

40.04 Ch a point 4 Lks West of the 1/4 sec cor.

80.07 Ch a point 9 Lks. West of the Corner to secs. 25 & 36

To retrace this line or run parallel thereto my Compass must be adjusted to a variation of 14° 17' East.

Subdivision Commenced November 14th 1878 +

General Description

This is a good township
Surface gently
rolling. Along the
South boundary the
soil is sandy
In the Northern part
it is somewhat
broken by shallow
ravines, but in
the Central portion
along Antelope Creek
are found Excellent
tracts of land. rich
black Clay loam
several feet in
depth. Also good hay
land.

The Township is
destitute of timber.
Antelope Creek in
this township is
a running stream

T 33 N R 42 W.

water about 17
inches deep

T 33 N R 42 W.

List of Names

A list of the names of the individuals employed to assist in running, measuring or marking the lines and corners, described in the foregoing field notes of Township No. 33 N R 42 W. of 6th Principal Meridian showing the respective capacities in which they acted:

William Culbertson	Chainman
David Davis	Chainman
Mar Amende	Comeman
Samuel Britton	Comeman
Edwin Turner	Flagman
Wm S Orr	Chainman
J.S. Davenport	Chainman
R.R. Crow	Comeman
E.J. Seley	Comeman

General Description

This township is watered in secs. 6 & 7 by Wounded Knee Creek which runs North
The surface is rolling prairie somewhat broken by ravines yet there is a large amount of good land in the Township
The soil is a dark clay loam
A high narrow divide extends East and West in the North part of the Township. It is about 4 miles in length and forms the water-shed between Antelope creek and Wounded Knee Creek
Some scattering

trees along Wounded Knee Creek
There is some good farming land in the Eastern part of the township.
The surface is covered with rich nutritious grasses

T 34 N R 42 W

List of Names

A list of the names of the individuals employed to assist in running, measuring the lines and corners described in the foregoing field notes of Township 34 N R 42 W. 6th Principal Meridian Nebraska showing the respective capacities in which they acted:—

William Albertson, Chainman
David Davis Chainman
Max Amende Cornerman
Samuel Britton, Cornerman
Edevin Turner, Flagman

W S. Orr Chainman
J S Davenport Chainman
R R Crow. Cornerman
E J Sulky Cornerman
S. F. Kenny Flagman

We Hereby Certify that We assisted Robert Harvey and Charles R. Starkweather Deputy Surveyors in Surveying and subdividing Township No 34 North of the Base Line of Range No 42 West of the 6th Principal Meridian in Nebraska And that said Township has been in all respects to the best of our knowledge and belief well and faithfully surveyed and the boundary Monuments planted according to the instructions furnished by the Surveyor General of dimensions, character and Construction and Marking and in the Manner as specifically described in the foregoing field Notes

William Culbertson Chainman
David Davis Chainman
Max Amende Cornerman
Samuel Britton Cornerman
Elwin Dunn Flagman

Wm. S. Orr Chainman
J. S. Davenport Chainman
E. J. Seely Cornerman
H. K. Brown Cornerman
S. F. Keeny Flagman

Signed in my presence and sworn before me this 16th day Dec 1878

A. J. Kendall
Clerk Dist Court
Howard Co Nebr.

I, Charles R. Starkweather, Deputy Surveyor, do solemnly swear that in pursuance of a joint Contract wherein Nicholas J. Paul, Robert Harvey, Nicholas R. Starkweather are joint Contractors with John R. Clark, United States Surveyor General for the District of Nebraska and Iowa, bearing date the 31st day of July 1878, I have well faithfully and truly, in my own proper person and in strict conformity with the Instructions furnished by the Surveyor General, the Surveying Manual and the Laws of United States, surveyed all those parts of portions of Township No. 34 North of the Base Line of Range No. 42 West of the 6th Principal Meridian Nebraska that are represented in the foregoing field notes as having been surveyed under my direction, and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the Surveying Manual, printed Instructions and Special Instructions of the Surveyor General, of dimensions Character, Construction and marking, and in the manner as specifically described in the foregoing Field Notes and that the foregoing field notes are the true and Original Field Notes of such Surveys

Charles R Starkweather
Deputy Surveyor

Signed in my presence and sworn before me this 1st day of April A.D. 1879

A Kendall
Clerk Dist Court

I, Robert Harvey, Deputy Surveyor do solemnly swear that in pursuance of a joint Contract wherein Nicholas J. Paul, Robert Harvey and Charles R. Harkoventher are joint Contractors with John R. Clark United States Surveyor General for the District of Nebraska and Iowa, bearing date the 31st day of July 1878, I have, well faithfully and truly and in my own proper person and in strict Conformity with the Instructions furnished by the Surveyor General the Surveying Manual, and the laws of the United States, surveyed all those parts or portions of Township No. 34 North of the Base Line of Range No 42 West of the 6th Principal Meridian in Nebraska, that are represented in the foregoing field Notes as having been surveyed under my directions, and

I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the Surveying Manual, printed Instructions and Special Instructions of the Surveyor General, of dimensions, Character, Construction and Marking, and in the manner as specifically described in the foregoing field Notes and that the foregoing are the true and Original field Notes of such survey

Robert Harvey
Deputy Surveyor

Signed in my presence and sworn before me this 1st day of April 1879

A. Kendall
Clerk Dist Court

Surveyor Generals Office
Plattsmouth Neb. May 23d 1879

The foregoing field notes of the Survey & Subdivision of Township No 34 North of the Base Line & Range No 14 East of the 6th Principal Meridian in Nebraska. Executed by Robt Harvey & Charles R. Starkweather Deputy Surveyors under joint Contract No 109 dated July 31st 1878 in the Month of November 1878 having been Critically Examined the Necessary Corrections & Explanations made, the said field Notes and the Survey they describe are hereby approved -

Geo S Smith
Surveyor General

Field Notes

of

the subdivision lines and retracings of

Township 35 North Range 42 West

of the 6th Principal Meridian

by

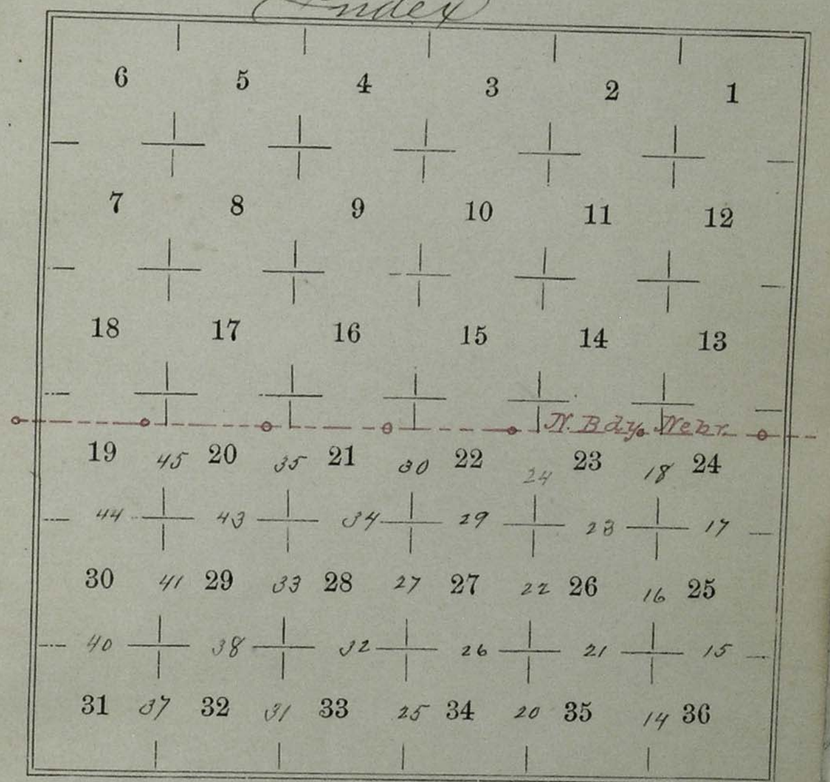
Joseph H. Fairfield Deputy Surveyor

Under his contract of June 6th 1882

Survey commenced July 17th 1882

Survey completed July 19th 1882.

Township 35 N Range 42 West
of the 6th Principal Meridian
Lyndey



Retracings

1

S.B. of Tps 35 N.R. 42 W of the 6th Principal Meridian

Chains. Before proceeding to subdivide this Township. I set my compass at the corner to Tps. 34 and 35 N. Rs. 41 and 42 W. recently rebuilt and thoroughly tested it, particularly the latitude and reversing apparatus, and found it to be in perfect adjustment and also proved Latitude 42° 58' N. to be correct. Thence I run West on a blank line on the S. boundary of Section 36.

Va. 14° 10' E.

39.94 To a point 28 lks. W. of ¼ sec. cor. A mound of earth with pits and cedar stake properly marked lying in pit I redug the pits, rebuilt mound and drove stake in E. pit.

79.95 To a point 53 lks. W. of cor. to 8 secs. 1. 2. 35 and 36. A mound of earth with pits and cedar stake 2 ft. long 2 ins. square properly marked. lying in S.E. pit.

Retracing

S.B. of Dp. 35 N.R. 42 W. of the 6th Principal Meridian

Chains.		I redug the pits. rebuilt mound. and drove stake in S.E. pit
		The course and measurement on this boundary is therefore practically correct
		Note. The corners on this line are nearly all destroyed. I therefore continue the retracings as per instructions.
		West on a blank line on the South boundary of Sec. 35
		Va. 14° 15' E.
40.08		To a point 27 lks. N. of the ¼ sec. cor. A mound of earth with pits and cedar stake 2 ft. long 2 ins. square properly marked lying in pit. I redug the pits. rebuilt mound and drove stake in E. pit.
80.14		To a point 49 lks. N of cor. to Secs.

Retracing

S.B. of Dp 35 N. R 42 W. of the 6th Principal Meridian

Chains.		2.3. 34 and 35. A mound of earth with pits and cedar stake 2 ft. long 2 ins. square properly marked, lying in S.E. pit. I redug the pits rebuilt mound and drove stake in S.E. pit.
		West on a blank line on S. boundary of Section 34.
		Va. 14° 15' E.
40.10		To a point 21 lks. N. of ¼ sec. Cor. A mound of earth with pits and stake 2 ft. long 2 ins. square, properly marked, lying in E. pit. I redug the pits. rebuilt mound and drove stake in E. pit.
80.28		To a point 47 lks. N. of cor. to Secs. 3. 4. 33 and 34. A mound of earth with pits and cedar stake 2 ft. long 2 ins. square. properly marked, lying in pit. I redug the pits. rebuilt mound and drove stake in S.E. pit.

J. H. Fairfield July 19th 1882.

General Description.

This Township is mostly gently rolling 2nd rate land. The S. W. portion is very broken. Wounded Knee creek runs through the western portion. Its bottom land is very fertile and where cultivated produces good crops.

Mr Stirks Claim and improvements are in sec. 20. He claims the E½ and the N.W. ¼ of the S.W. ¼ and the S.W. ¼ of the N.W. ¼ of sec.

Township 35 N. R. 42 W.

Chains 20. There is some valuable timber in the S.W. part of the Township.
