General Land Office • Original Field Notes

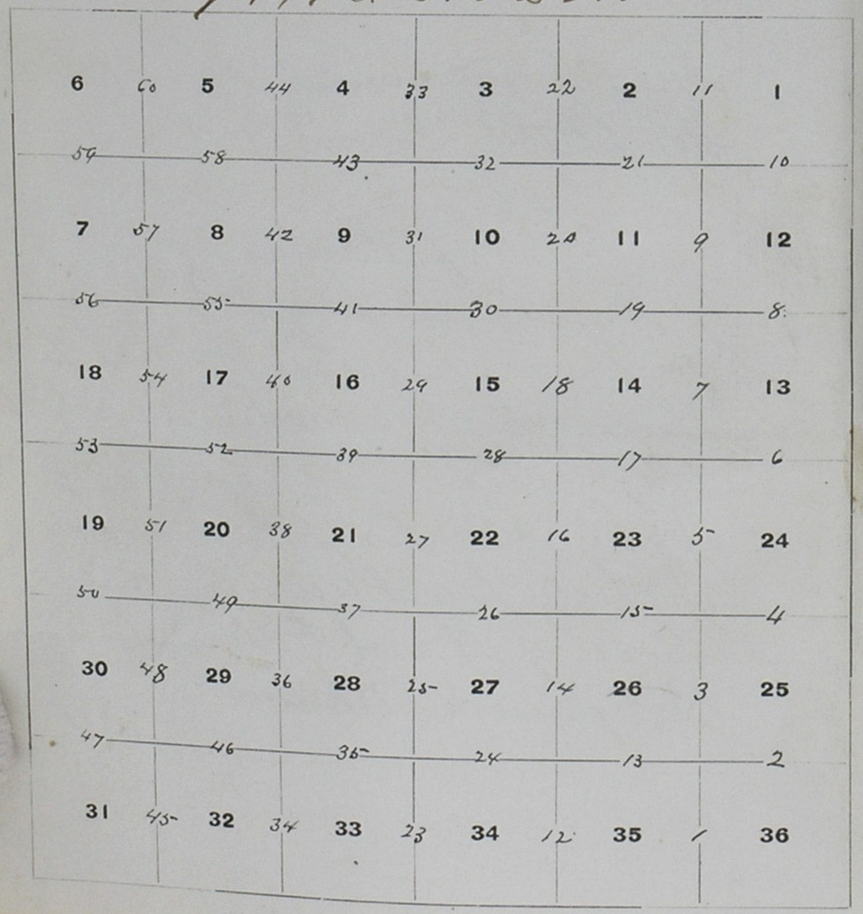
Book Number

700

The images in this file are photographs of the notes of the original surveys of the State of Nebraska on file in the Office of the Nebraska State Surveyor located in Lincoln, Nebraska.

The original surveys in Nebraska began in the mid 1850's and were completed in the mid 1880's. The Nebraska office of the Surveyor General was closed June 30, 1886.

Index Diagram
Township 17 N. R. 5 W. 6th P.M.



Township 17 N R 5 W. 6th P.M.

To determine the proper adjustment of compass for Subdividing this Township I commence at the corner to Township 17 North Ranges 5 & 6 West on the 4th Standard Parallel North and run North on a blank line along the East boundary of Section 36.

Variation 14° 40' E

40.00 To a point 5 links East of the 1/4 Sec cor:

80.00 To a point 12 links East of the corner to Sec's 25 & 36

To retrace this line or run Parallel thereto my compass must be adjusted to a Variation of 14° 45' E

Township 17 N. Range 52 W. 6th P.M.

Chains	
	North Bet Sections 35 & 36
	On 14° 45' E
40.00	Set a post deposit charred Stake raised Mound of earth with pits as per instructions for a 1/4 Sec cor.
80.00	Set a post deposit charred Stake raised Mound of earth with pits as per instructions for the Corner to Sections 25. 26. 35 & 36
	Land rolling
	Soil 2nd rate

Township 17. N. R 52 W. 6th P.M.

Chains	
	East on a random line
	Bet Sections 25 & 36
	14° 45' E
12.50	Wagon road, bears N & S
40.00	Set a post for temporary 1/4 Sec cor
80.07	Intersected the East boundary of the Township 5 links South of the Corner to Sections 25 & 36 From which corner bears S. 89° 58' W on a true line Bet Secs 25 & 36 On 14° 45' E
40.03½	Set a post deposit charred stake raised Mound of earth with pits as per instructions for a 1/4 Sec cor
	To Wagon road bears N. E.
80.07	To the Corner to sections 25. 26. 35 & 36
	Land nearly level
	Soil 2nd rate

Township 17 N. R 5 W. 6th P.M.

Chains	
	North bet Secs. 25 & 26
	Va 14° 45' E
40.00	Set a post deposited a charred stake raised mound of earth with pits as per instructions for a 1/4 Sec. Cor.
80.00	Set post deposit Charred Stake raised Mound of earth with pits as per instructions for the corners to Secs 23 24. 25 & 26,

Land nearly level

April 30th 1873

Township 17 N R 52 W. 6th P.M.

General Description

There is a large amount of Table land in the South & South East part of this Township

The North West part through which the Lawrence Fork passes is broken by Ravines &c

There is a large amount of Pitch Pine Timber in the Ravines

Water is found in a Spring on the SW 1/4 of Sec 8.

No water found in the Lawrence until reaching Sec 29 Town 18 R 52 W.

This is a grand stock range good shelter from Winter storms

A list of nams of individuals employed to assist in running measuring or marking the lines and corners described in the foregoing field Notes of the Subdivision lines of Township 17 North of Range 52 West of the 6th principal Meridian in the State of Nebraska showing the respective capacities in which they acted John M LaMoyne Chainman John Center Chainman Henry Troell rearchainman Benjamin Whitsman Rearchainman

We hereby certify that we assisted Jno M LaMoyne Deputy Surveyor in Surveying the Subdivision lines of Township 17 North of Range 52 West of the 6th principal Meridian in the State of Nebraska and that said Township has in all respect to Otr best knowledge and belief

well and faithfully surveyed
and the monuments planted accordg
to the instructions furnished by the
Surveyor General

John Carter Chairman
John La Munyon "
Henry Harrell Monteith
Benjamin Whitson "

Sworn and subscribed to this
24th day of May 1873

James Bellon
Clerk of the District Court
for Lincoln County Nebraska

I Jno W LaMunyon
Deputy Surveyor
do solemnly swear that in
pursuance of your contract
dated I W LaMunyon & Walter
C Campbell on part contracted
with E E Cummings United
States Surveyor General for the
State of Iowa and Nebraska
bearing date the 15th of August 1872
I have well, faithfully and truly
in my own proper person and
in strict conformity with the
instructions furnished by the
Surveyor General the Surveying Manual
and the Laws of the United States
surveyed all those parts or portions
of Townships 17 North of Range 5
East of the 6th principal Meridian
in the State of Nebraska as are
represented in the foregoing
plotted Notes as many have
surveyed under my direction
and I do further solemnly swear

that all the corners of said survey have been established and perpetuated in strict accordance with the Surveying Manual and printed instructions and that the foregoing and the true and original field notes of such survey

Ira W La Munyon
Deputy Surveyor

Sworn and subscribed to before me this 24th day of May 1873

James Bellon
Clerk of the District Court
for Lincoln County Nebraska

Surveyor Generals Office
Plattsmouth 1873

The foregoing Field Notes of the survey of the Subdivision lines of Township No 17 North of the Base line of Range No 32 West of the 6th P. M. in the State of Nebraska - Executed by Ira W. La Munyon Deputy Surveyor under Joint Contract No 67 dated Aug. 13th 1872 wherein Ira W. La Munyon & Walter C. Campbell are Joint Contractors, in the Month of April 1873 - having been Critically Examined, the Necessary Corrections & Explanations Made, the said Field Notes & Surveys they describe are hereby approved

Surveyor General

General Description

This Township contains some good Agricultural land but most of it is unfit for anything but to keep grazing the Lawrence Fork affords sufficient water for stock or irrigation. The Geology of Rocks in this Township is well known to the Topographical Engineers & the Eastern Extremity of that range of Bluffs in Sec 1 is a Bench used by Stock Men

General Description

The South half of this Township is composed of very good Land being mostly Valley The Pumpkin Seed Creek flows through this Township Pretty near East Coming into the Township in Sec 30. & Joining out in Sec 31. it affords plenty of good water about 2 feet deep The N 1/2 of this Township is Composed Mostly of Very high Rolling & Mountainous Hills. some pines are found on the same the N. E. part of Township affords some Valley Lands. The Township is adapted best for Agriculture or Stock Raising

* Commissioners Chapter 1st Session of the Territorial Legislature of Nebraska

We do hereby certify that we assisted M. Jewett Sanger Deputy Surveyor in Surveying and subdividing Township No 19 North of Base Line in Range No 12 West of 6th P.M. in Nebraska and that said Township has been in all respects to the best of our knowledge & belief well & faithfully surveyed and the Boundary Monuments planted according to the instructions furnished by the Surveyor General *

John Sherman Examining
Dan Townsend Examining
Abners Johnson Monumentman
Frank Hebert Flagman

Signed in my presence & Sworn to before me the undersigned a Notary Public in & for Scotts County Nebraska this 3 day of Oct. 1872

Henry Roberts
Notary Public

* & dimensions. character construction & Marking with the manner as specified in the foregoing field Notes

I. H. Jewett Sanger
Deputy Surveyor do Solemnly Swear
that in pursuance of a joint
contract wherein Lyman Chapman
Ezra H. Jewett Sanger
are joint Contractors with
E. E. Cummings Chief United
States Surveyor General for the
district of Nebraska & Iowa
bearing date the 2 day of
June 1873. I have well
faithfully & truly in my
own proper person & in
strict conformity with the
instructions furnished by
the Surveyor General the
Surveying Manual & the
printed instructions & Laws
of the United States. Surveyed
all those parts or portions of
Townships 19 North of the Base
Line in Ranges 35 West of
6th P.M. in Nebraska as
are represented in the fore-
going field Notes as having
been surveyed under my
direction. & do further
solemnly swear that all the
corners & said surveys have
been Established & perfect-
mated in strict accordance
with the Surveying Manual
& printed instructions *
& that the foregoing are the
true & original field Notes
of such Surveys.

I. H. Jewett Sanger
Deputy Surveyor

Signed & in my presence &
Sworn to before me the Under-
signed a Notary Public
in & for Keith County Nebraska
this 2d day of October 1873

Town 20 North / Range 52 West

General Description

Town Lee 19 East to Lee 24 & South to boundary the land is Rolling. Soil Sandy & Rate by Lee's 19. 20 28 & 29 are high precipitous Bluffs & deep ravine Containing Pine & Cedar. In Lot 4 of Lee 17. Chimney Rock a high Solitary monument which Can be seen a great distance in the River bottom, All the remaining north part of Township is Level, & bottom land. Soil 1st good 2nd Rate. The N. Platte River runs from West to East in Lee's & leaving the Township in Lee 13.

We hereby

List of Names

A list of the names of the individuals employed to assist in running, measureing and marking the lines and corners described in the foregoing of Town. 22 N. Range 55 W of the 6th P.M. in Nebraska.

Robt E Donovan Chainman
W. B Hardin do
Wm Powell Flagman
Charles F Hornecker do

We hereby certify that we assisted Wm Hardin deputy surveyor in surveying and subdividing Township No 29 North of Base Line of Range No 52 West of 6th Principal Meridian in the State of Nebraska, and that said Township has been in all respects to the best of our knowledge and belief well and faithfully surveyed and the boundary monuments planted according to the instructions of the Surveyor General of dimensions character construction & marking and in the manner as specifically described in the foregoing fieldnotes

Robt. E. Donovan Chainman
W. B. Hardin Chainman
Wm Powell. Flagman
Charles F. Hornecker Flagman

Subscribed & sworn to by the above named persons & sworn to before me a County Clerk in & for Cheyenne Co. Nebraska this 18 day of Oct 1877

C K Allen
County Clerk

I, William Hardin Deputy Surveyor do Solemnly Swear that in pursuance of a joint Contract No 106, wherein W. B Cutler Alexander Schleyer, A. S Scott and Wm Hardin are joint Contractors with Jno A. Clark U.S. Surveyor General for the district of Neb & Iowa, bearing date the 17 day of June 1877. I have well faithfully and truly in my own proper person and in strict conformity with the instructions of the Surveyor General, the Surveying Manual & Laws of the United States, Surveyed all those parts or portions of Town 20 N of Base Line of Range 52 West of the 6th P. M. in Nebraska as are represented in the foregoing field notes as having been surveyed under my direction and I do further Solemnly swear that all the corners of said Survey have been established and perpetuated in strict accordance with the Surveying Manual, printed instructions and Special instructions of the Surveyor General of dimensions, character, construction & marking and in the manner as specifically described in the foregoing field notes and that the foregoing are the true and original field notes of such Survey

William Hardin
Deputy Surveyor

Subscribed and sworn to before me a County Clerk in & for Cheyenne County Neb this 18th day of Oct 1877

A K Allen
County Clerk

Surveyor Generals Office
Plattsmouth Neb. Jany - 22nd 78

The foregoing field notes of the Survey & Subdivision of Township 20 North of the Base line of Range 52 West 6th P.M. in Nebraska Executed by William Hardin Deputy Surveyor under joint Contract No 106 dated July 17th 1877, in the months of August & September 1877. Having been Critically Examined the necessary Corrections and Explanations made the said field notes and the Surveys they describe are hereby approved.
