Township 21 North Range 7 West of 6th P.M.

General Description of Township 21 North Range 7 W of 6th P. M in the State of Nebraska

A Portion of this Township laying in small valleys between the Sand Hills is of 2d rate quality of land &, but the Majority of the Township is composed of very Broken Sand Knobs with sparse vegitation & totally unfit for agricultural purposes having neither Wood nor water. The Bottom Land on each side of the Beaver creek is of 1st rate quality & good soil the Creek averaging a width of 35 links & a depth of 18 in to 3 feet with good banks 2 to 5 feet high & good clear running water.

Township 21 N Range 7 W of 6 P.M.

Ches. We hereby certify that we assisted J Stewart Livingston in subdividing township No 21 North of Range 7 West of the 6th Principal Meridian in the State of Nebraska & that said township has been to the best of our knowledge & belief well & faithfully surveyed and the Boundary Monuments placed according to the instructions of the Surveyor General.
