(1) From Records of Stephenson, County Surveyor Nemaha County 1938
stone set of partitions of land 1700 feet west of Sec. corner.
1. Concrete marker Post is 33' North.

(2) Dec 1939 - BB Dale Re-estab. Sec Cor. By Prop. Meas. and line back over cors. east. - (Straight line between Sec. cors. brings line far to north. Above method of line over corners gives better fit to improvements. Set 1½" pin.
1. 6" Hg C.P. Bro N E 32.1' 2. 5" Hg C.P. Bro S E. 41.6'
3. 18" Walnut tree Bro S W 45.6' 4. 6" Hg. C.P. S.W. 43.4'
5. T.P. Bro S W 45.8' 6. 8" Hg C.P. Bro N W 50.4'

(3) Dec 1939 - BB Dale Re-estab. cor - 5244' - W. Prairie Union Cor, 5295' So. of No Cor.
Set Pin.
1. Near face concrete Post Bro N W 26.6' 2. Near face concrete Post Bro S W 19.2'
3. 5" Hg C.P. Bro S E 36.1'

(4) - Jan 1943 - BB Dale - Found 1/16 cor - L.S. in ℄ of Road - Covered 8". I placed ¾" x 5" Pipe on top
Note - In checking my chaining from N E cor of Sec 3 - South to ¼ cor. between Sec 22 and 23
I find the mile to be 5338.05' long. The Govt dist is 5309.7' - The So ½ mile being 40 chs.
and the No. ½ mile 40.45 chs. The dist from the Sec corner set by me at the
S E cor. of Sec 3 and the So 1/16 cor is 1336.05' - ¼ of 5338.05' is 1334.5'.
The ¼ mile fences are located a 2663.0' So. of the N E cor. of Sec. 3. The Govt dist is
2669.05'. The Proportionate dist for corner is 2683.95'. ½ of 5338.05 is 2669.05'.
I find no record of this 1/16 cor and no survey in Sec 2 or 3 except survey by
Carranco in Book "B" P 199 of lots on east side of H.B. line. Apparently the mile
was divided by some one in 4 equal quarters instead of using Govt dist. and proportion
I dug a large hole in line with present ¼ fes. before chaining was made. There was a
fall of 4 or 5 ft and no corner was found - I did not dig at proportionate point for ¼ cor.

(1) Jan 1943 - B.C. Dale - Found Stone with + on top (See old survey record) for 1/16 cor. Stone covered 6" and stands N & about 1' of Present corner Post.

(2) Jan 1943 - B.C. Dale - I did a lot of work to establish this corner. I chained east from the 1/4 corner on South Side of 9-3-15 to the S.W Cor of 12-3-15. I also chained east and west of this line. The miles on So. side of Sec 8 and 9 overran about 35.0' per mile. The miles on the south side of 10 and 11 - overran about 22.0' per mile. The west 1/2 mile on the south side of Sec 12 - overruns 5.0'. I had previously chained from NW Cor of Sec 3-3-15 to the SW Cor of Sec 15-3-15. I also produced a line (over) from the stones set by Ernsteads for the SW Cor of Sec 15-3-15 and the SW cor of the south 120 acre tract (See Book "6" Pg 361) and measured line. Stone set for SW Cor. of No. 120 Ac tract was reported gone but fence was claimed to be on line. My line over the 2 south stones falls in west road ditch on this fence line. Note Ernsteads method of setting corners - the line on West side of Sec 15-3-15 was made 80.27 chs long but the lines on the north and south side of west half of Sec 15-3-15 were made equal to short distances. No proportionate measurements were apparently made. My measurement agrees fairly close with Ernsteads but line falls 8.8' east of where I set corner. I found the 1/16 corner set for SW cor SE1/4 SE1/4 of Sec 9-3-15 at a point 1331.5 ft east of the 1/4 corner. (See Book "6" Page 113). I set corner at 2663.0' or double this distance and on line with 1/4 cor and 1/16 cor produced. I dug a large hole at the point where Ernsteads line falls and also where stone was located. I digging I found a piece of stone about 6"x6"x5" which may have been the bottom piece from the Ernstead stone. It was setting well down in the blue clay sub-soil and almost exactly at Ernsteads distance from South but more than 10 feet west of his line. I set 1 1/4"x30" Pipe on top. Pipe is 3.2' So and 2.8' West of the corner I set. I drove a 1/2"x18" Pipe for corner.

1. 6" Hy GP Bro NW 44.6' 2. 1 1/2"x3' Pipe at So. end Hy saw Bro N NW 59.5. 3. Hy saw stps run W. Bro No. 39.7'

(1) Jan 1943 - BC Hale - Excavated but could not locate corner. I chained west from the 1/4 corner on So. side 9 to the 1/4 Corner on So side 8-3-15. I made distance of 5318.5' - Govt dist is 5283.6 or over sum of 34.9'. 1/16 Fce claimed to be on line. I found W 1/16 corner on So. side of Sec 9-3-15 @ 329.9' East of 1/4 cor. The E 1/16 corner on So side of Sec 8 was covered many feet deep by So Hy road work in 1920. I chained So. from the 1/4 fences between Secs 8 & 9. - which are claimed be exactly on line by Mr. Griffeth who has lived on farm for 60 years. I dug hole 10 feet deep in 1934 but did not find corner. Stone set by surveyor by Mc & Bray (no record) for So 1/16 corner between Sec 8 and 9 was gone. but fence was claimed to be exactly in line with stone set by Mc & Bray. This fence measured 1326.5' So. of 1/4 fences. I make the measurement to 1/4 line - between Sec 16 and 17 at 5306.0'. 1/4 Corner is gone - but I produced line of the 1/16 stones to the east to find that hedge row was on line - I drove 1" x 30" Pipe for corner.

(1) R. O. Adams Survey 1932 — Original Govt cor. obliterated, but the true location of the original corner is known by F. L. Gilbert who has long been a resident of NE 1/4 of Sec 24 and who states that the E 1/16 corner between 13 & 24 was established at a point mid-distant and on line between the east sec. cor. and the 1/4 corner while corners were in evidence and that the hedge row on the south side of the roadway along the north side of the NE 1/4 of Sec 24 was planted on 33 foot line. Therefore I go to 1/4 sec. cor between 13 & 24 I run east to 1/16 cor and produce line to point identified as Sec. cor. I rebuild cor — Sec 1" iron pipes and deposit marked brick from which a Hedge row extending West is south 33 ft. Center line of concrete headwall is SW, 23 ft. Centerline of concrete headwall is NW, 22.6 feet. I set 1" iron pipes N 45° E and S 45° E, 46.7 feet.

(2) R. O. Adams Survey 1932 — Restore 1/4 Sec cor. Set 1" iron pipe and deposit marked brick from which — a hedge row extending northward is 6.1 ft east of cor. Set 1" iron pipes north and south 33 ft. distant — 1938 — Additional ties

(1) 1/16 Cor? - Fred Kentopp claims stone in place for many years. I find no record of setting stone. Record shows one set 1/2 mile east of this. L.S. partly broken, even with surface and setting in original black soil. I set stone down and placed L.S. 6 x 10 x 4" on top. Stone is 9' No. of fence between Weinert and Kentopp and by measurement stone is to far north. Measurements on Twp line for Twp corner do not check very well. as same run way long and some short. Witness to this stone are :-

1. Hg Fc Brs W 14.5'
2. Hg Fc. Bro E 34.0'
3. Fc Run E. Bro So. 9'
4. E. Fc. Bro. E. 34.0'

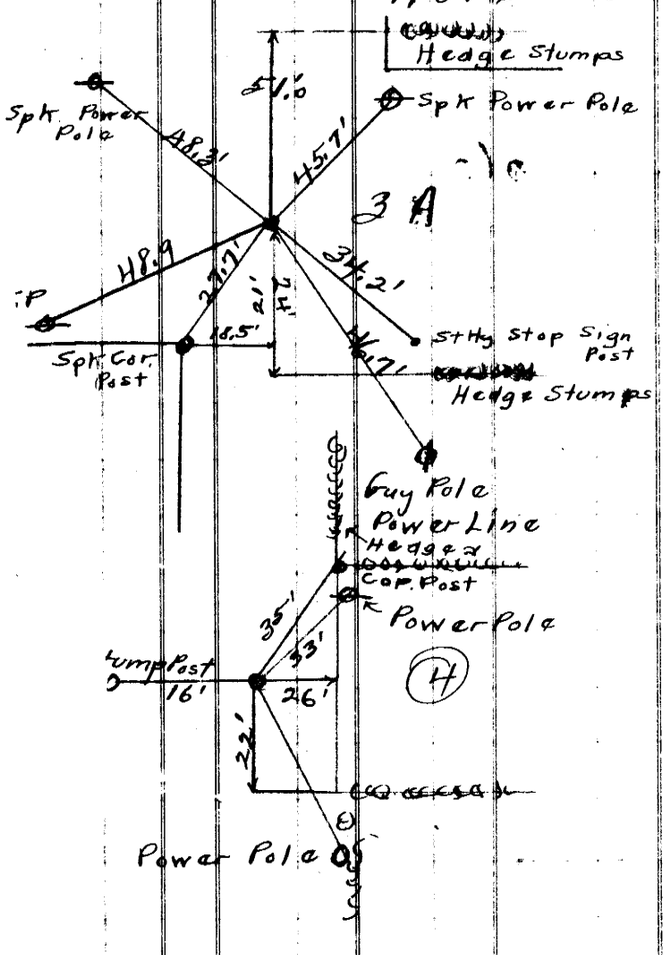
(1) Notes J. F. Relf, April 8, 1915, Recorded Book #1 - Page 3
Found S.E. corner stone about 20" under ground with top broken off.
Set chained post over with iron plate beside, from which an iron
cement post bears N 3.2° E., 5.2 ft, corner post to C.B. & Q right of way.
Also N 21°45' W, a cement post bears 7.2 ft dist.

(2) Notes J. F. Relf. Apr 8, 1915, Book #1 - Page 3 - Set an iron culvator beam
3 ft long on the east side of a hedge stumps for E 1/16 corner, from
which a corner post stands South 1.3 ft. - 18 inches east. Also center
of ditch is 14.6 ft East.

(3) Notes J. F. Relf, 1915. Book 1 Page 3 :- 1/4 cor is a limestone with
a buggy hub on top from which a corner post stands S 53°-15' W,
32.8 feet. South 43°-05' E. a corner post bears 37.9 feet dist.
Note - These ties gone see (3) A



(3 A) BBDale Jan 28-1933 - Found limestone 1 inch
below surface and well to south side of road.

(4) BenBDale Feby 2-1933 - Present J. W. Hung, O.P. Babb.
Failed to find stone same having been graded out.
O.P. Babb remembered location of stone however I checked
his location as follows. I went to the hedge cor at 1/4
cor. between Secs 6 and 7. Found no stone - chained
east 5291.5 ft to 1/4 line Hedges between Sec 7 & 8. Found
no stone. Restore stone at proportionate distances 2641.8
from West and 2649.7 feet on line with old hedge running
west which was on line with original stone In trying
to locate stone (3A) I chained south and found stone
at 2640 feet. Set red granite rock 6"x 10"x 15" - covered
5 inches - Later covered more by 1933 grading.

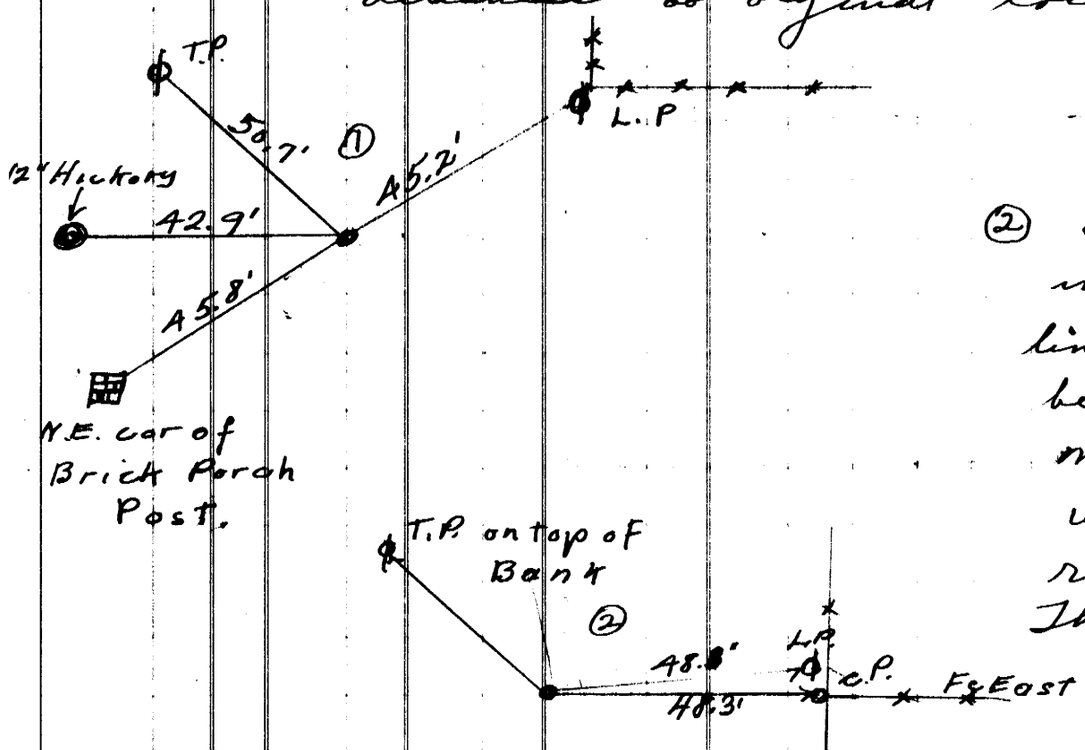
① - June 1932 - B&D Dale - This stone had been considered removed by road construction ~~in~~ 1920. There was a stone there at that time which was used as a bench as shown on original state plans #2-4 and #123. On June 21st I found large worn limestone in road which I presume must be this corner which I witness as follows. This stone will be removed for 1932 paving. The measurements or distances from this stone to fence check with distances to original location as given by Mr. Pros. -



② This corner was removed by road construction in 1920 and not witnessed in. I produced line from ① and center as determined by distance between hedges at south Sec. cor as shown on paving plans and drove - 24" x 1" gas pipe where this line crosses original fence line running east and witness as follows - B&D Dale This pipe will be removed by 1932 Paving work

③ - 1-20-51 - Found 1/4 Sec. cor. L.S covered 18" - Pos. old L.S beside - Set 1¼" x 2' Pipe on top Stone.

(1) BC Hale. Nov. 1931— Found Limestone 4 x 4 - x 12 inches with x on top laying in pasture where I understood it had been laying for at least 13 years. H. B Prichard informed me that stone used to set exactly at intersection of hedges so I reset stone on north side of and against corner post in hedge lines.

(2) BC Hale Nov 1931— Found limestone large rounded top about 8 inches under ground and 1 foot east of corner of hedge running west and new fence running north - Oct 31-1939- BC Hale- I drove 1"x 4' Bolt on East side of stone.
1. Cor. Post Brs W. 0.5'

(3) - Nov 1-1939- BC Hale. I measured south from 1/4 Cor Bet Secs. 9 and 10 - 2 1/2 miles to S W Cor of Sec 22-2-16- Total distance 13.256-5 - Over run 11.3' per 1/2 mile. at 7953.9' So of 1/4 cor. I dug for corner and found a large piece of concrete at the exact distance. Large cross on top of concrete and beer bottle setting over cross. Stone covered 15". I have found no record of this corner being set. Mr. Relf sometimes placed a bottle on late corners when perpetuated. I set a quart bottle over stone and 2 1/2" x 6" Bush on top.
1. Meas corner Conc. Mon Pump Brs S E 19.0' 2. Nail in 6" Hg 6.P. Brs S E 46.3'
3. 6" Hg 6. P. Brs S W 50.2' 4. S E. Cor. of Voting Hall Brs N W 37.5'

(1) Bench Mark, July 14, 1933 — Found small lime stone setting N and S. and covered 3 inches. Drove a ½" x 15" square iron bar beside stone.

(2) Bench Mark, July 14, 1933 — Original corner stone lost and removed. Could find no parties who knew original location. From Cor ½ mile north I measure south to ¼ cor. line between Sec 26 & 27 — Stone gone but residents claim stone originally was on hedge line W. — 53.04 ft — Set stake at 26.52 ft. From the ¼ cor. between Secs. 24 and 25 I claim west — 5270.0 ft — Hedge line South at approximate ¼ cor bet. Secs 23 and 26; 10,548.0 ft — hedge line north at ¼ line between Secs 22 & 27. This hedge claimed to be on line of original stones — Stone gone; 13,190.2 ft — Sec cor — S W cor Sec. 22. Last distance 13,155.0 By Proportion cor at S E Cor of Sec 22 at 7910. Last miles runs long — Proportion throws stone about 8 or 10 feet west of centerline between hedges. Whether proportion is figured from ¼ line hedge between 22 and 27 or 23 and 26 the result places corner on same location, — See (2 A)

(3) Bench Mark — July 14, 1933 — Reestablished corner on straight line between section corners and on line with hedge running north which is claimed to be our line. Set Limestone 16 x 6 x 3 with brick underneath — Stone even with surface.

(1A) Oct 26-1939 — Found stone in Pcs. Set ½ Brick to cover 18" — Placed Pcs on top — ½" Rebar on West side — 1"x10" Pin and 2½"x6" Bush over stone.

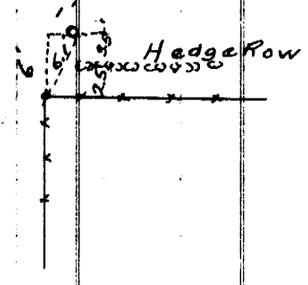
(1) Stone set by Frank Relf Sept 1913 — Book "C" Page 387.
Set limestone 12 x 10 x 4 marked x with brick under for corner to 27-28-33-34 from which S E 19.25 ft to cor. of fence. N. E. 48.2 ft to cor. of fence. Corner comes under bridge.

(2)



(2) Nov. 9-1931 - B.C. Vale - found Limestone - Post down, Top of stone or flat side up, about 7 inches Sq. Stone down about 12 inches. — This stone does not have the appearance of being a corner stone but knowing the method of setting center of sections years ago as coming in from one 1/4 corner only, stone may be correct, and land lines have been established by adverse possession. In running on straight line from the Hedge near 1/4 cor on north to about 1/4 cor. on south for ~~SE~~ Hy survey in 1931 - line runs about 12 feet west of above stone).

(1) Limestone near corpost on east fence line, just north of large ditch. 1930 Limestone sticking out of ground about 3 inches — 1935 L.S. covered 8" Drove 3/4" x 20 iron pipe over stone. Drove 1 1/2" x 20" iron rod 34 ft east for east line of State right of way. Stone on line with E + W. fences and 10.6 feet east of east edge of pavement. Stone is 8.9 feet south of expansion joint in Pavement.

(2) B.C. Dale Nov 1931 — Found large rounded top limestone about 13" NE of fence corner Post about 14 inches below surface. Set a piece of white pine 1/2 x 2 x 18" on top of stone, also a split piece of bur oak 24 inches long.

(3) B.C. Dale Nov 10, 1931 — Found thin limestone setting east and west and buried about 12 inches. Set short piece of hedge post on top of stone. Stone on line of fence running west. See 3A

(3A) B.C. Dale - June 1933 - Paving center line 10.17 feet west of stone. Stone covered 3 1/2 feet. I set 3/4 inch round iron rod beside stone so that top of rod was over stone. Rod placed 3 inches below top of curb. Made mark on top and edge of curb.

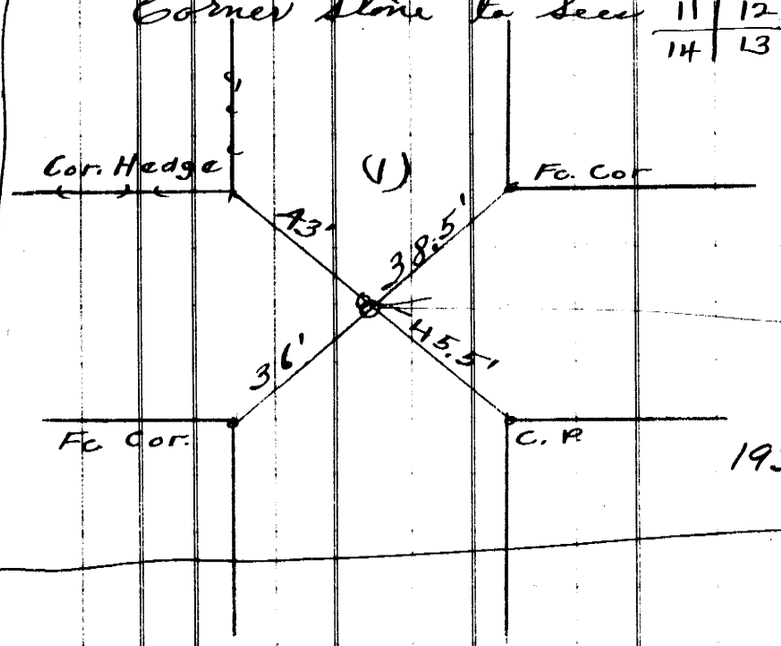
Corner Stone to Sec 11 | 12 / 14 | 13 -3-16 Ties put on w'dong page

6-22-1927 B.C. Hale. J H. Lewis - Corner Stone 1 mile N. & Boundary

Found Red Granite Rock - 10 x 6 x 15 - sticking out of ground - Set down 10 inches.

Should be Section 11 | 12 / 14 | 13 — 3-16



1939 - See additional ties on Page Sec 11-3-16

(2) Survey by J. C. Dougherty Dec 1939 for school dist. #3
Found this 1/4 stone 7 x 7 set in fence line as witnessed by a large Burr oak 30" dia. bears So 20° E. distant 14 links. This tree has a large scar on side next to stone. Found this stone to be on line between Sec. corners

(3) Survey by J. C. Dougherty Dec 1929 for School dist #3
Found stone after considerable excavation. Stone is 2 1/2" x 11" x 13" and sets N & S. Referenced as follows:—
~~Corners~~ of residence foundation bears N 48° west, 61 ft.
Corner of Pickett fence bears N 48°-20' W, 18.5 ft.
Dagpipe set S 45° W. 46.7 ft Dist.
Old Hedge row on east side of road 35 ft. dist.

(4) H.B. Lawson survey 1927 - Establish E 1/16 cor. Set 3/4" iron pipe and marked stick. from which a boxelder 12" dia. bears N 32 1/2° E, 141 lks dist.

(5) H.B. Lawson survey, 1927 - Restore 1/4 Sec cor. Set a 3/4 inch iron pipe and marked stick.

(6) H.B. Lawson survey, 1927 - Original corner from which an Elm, original witness tree 48" dia bears S 22° W, 19 lks dist. Set 1" iron pipe from which an apple tree 10" dia bears N 23 3/4° E, 102 lks dist. (- 1939 - B.C. Hale additional ties - C.P. (1A) (7-1939) Add ties 5-1940. 1. 2" Pipe Bro SW 44.2' 2. 2" Pipe Bro NW 41.4 3. 4" Hg C.P. Bro NE 29.6'

Stone gone - pieces all around. Set ½" x 3' G.P. from witness' all standing. Pitted pc of L.S. 1" below surface, beside pipe. after setting - Mr Howard who lives at this corner for 25 years claimed this was not the corner but that our Patrolman had set down an island of grass in intersection about 8 or 9 years before. We found another stone 10.3' South and a little east of other corner. L.S about 9 x 4 x 6 – Does not agree with size of original stone. Top line has curve to south. Either stone could be used as far as east and west line is concerned. South stone fits road best. Witness this stone as follows:-

1. 1½" x 30" GP Bro W NW 43.9' (about 8' west of C.P.) 3. T.P. Bro NE 48.1'
2. 4" ash Bro NW 60.3' 5. ¾" x 30" GP Bro SE 39.0'

6-22-1927 B.C.Dale, J. H. Lewis
Found 5"x10"x9" Limestone sticking out of ground. Set same down 10 inches below surface.

1930 - This corner could not be found. Tile crossed in one point but considerable excavation failed to locate any stone. Evidently it had been removed by some one - See (11A)

(2) Shidneck survey 1920 - Book 1 - Page 58 - Put in 1/2" iron rod - 1½ ft long from which a Walnut bears N.E. 28.3'; a telephone pole bears S.W. 42.6 ft

(3) Shidneck survey 1920 - Book 1 - Page 58 - Set 1" pipe from which a large pine bears 57 ft west and a little south, a Phone pole bears 50 ft N. W.

(4) Shidneck survey 1920 - Book 1 - Page 58. A stone tied as follows:

(4A) - From Records of Stephenson, Co. Surveyor Nemaha County. Nov. 1938
1. Limestone sets N 45° E - 46.7'
2. Limestone " S 45° W - 47.1'
(Note - His notes show stone missing - Our gradermen struck stone here in Oct 1938 and reset)

11A - B.C.Dale 1939 Sept. Reset corner from original (1) and State Highway road ties. Found lath and bolt set during Const. I placed large L.S. 18x8x12 to cover 6" - Iron Hub west side - Small L.S on top to cover 2"

① - B&Dale, Placed witness or stone previously used. Large top limestone covered about 2½ ft.

(1A) - May 1943 - B&Dale - Placed Additional ties. L.S. covered 16" - I placed 2" x 12" Pipes on top of stone. The old tie to S & E crossing is gone.

1. P.P. Bro N & E 52.2'
2. 6" Hy C.P. Bro N E 45.8'
3. 3" Pipe sign post Bro S W 45.1
4. P.P. Bro S W. 32.7'
5. T.P. Bro S E 43.2'
6. New Cor. Cone. for Pump platform S E 54.1'
7. Short 3" Pipe Bro S W. 44.4'

(2) - May 1943 - B&Dale - I re-establish Sec. cor. by Prop. Measurements from corners 1 mi W, 1 mi S, 2 mi No and line 2 miles So. I drove a 1" x 3' Pipe with 1¼" x 16" Pipe on tops. Cor. is in ℄ of road and about 5' W of fence running No & So on east side of road. Cor. is in deep cut.

1. 2" x 3' Pipe is So on line 45.8'
2. T.P. Bears S S W 35.8'
3. 1¼" x 8' Pipe (25' W of "1) Bro S S W 52.6'
4. 1¼" x 3' Pipe on line Bro No. 34.8'
5. 1¼" x 3' Pipe Bro N N W 39.1'

(Note - Cor. by established by prop. 4 ways for 5 miles and line of improvements on account of no corners on range line are not on true line.

(3) - May 1943 - B&Dale - I establish 1/16 cor at 1312.1' - Drove 1¼" x 15" Pipe in So. edge of Road.

1. Fence No. Bro E. 16.5'
2. 1¼" Pipe Bro N N E 47.0'
3. 8" Hy C.P. Bro N N E 45.4'
4. 7" Hy E.D.P. Bro S E 26.2'
5. 7" Hy W.D.P. Bro S S E 21.3'
6. N E Cor. Base stone Sulas Mt. Bro S S W 36.7'
7. A buried stone Bro N E 19.2'

(4) May 1943 - B&Dale - Found Stone @ N E cor Cemetery on ℄ Road. @ 1327.8' east of Sec cor. and 11.6 ft No of true Sec. line. L.S. Covered 12". I set ½" x 7" Pipe on top.

1. Fence No. Bro E. 1.0'
2. Old Hy row run E. Bro No. 33.0'
3. 1¼" x 30" Pipe Bro No. 33.0'
4. 9" Hy C.P. Bro No. 31.0'
5. 7" E.D.P. Bro S 0 32.7'
6. 7" W.D.P. Bro S S W 34.1'
7. N E Cor. Base stone Sulas Mt Bro S 86 53.0
8. My 1/16 cor. stands S W 19.2'
9. My 1/16 cor is 15.4' W and 11.6' So.

(5) May 1943 - B&Dale - I establish ¼ cor at mid point on true line. Drove ½"□ x 10" Rebar. ⅝" x 18" Pipe and ½" x 5" Pipes for corner in deep cut.

1. Hy row run No. Bro E 4.0'
2. Hy row run E. Bro No. 35.5'
3. 1½" x 3' Pipe Bro No. 42.0'
4. 9" Hy C.P. Bro No 32.7'
5. 10" Hy C.P. Bro So. 30.0'
6. 1½" x 3' Pipe Bro So. 35.0'
7. 10" x 5" Hy Stub tree Bro S S W 35.5'
8. Old Hy Slp row run W. Bro So. 35.0'
9. Hy row run So Bro E 4.0'

6. May 1943 - B&Dale - I establish 1/16 cor on true line. Drove ½" x 6" Bolt with ⅜" x 15" Pipe on Top

1. Fence No. Bro E 3.5'
2. 6" Hy C.P. Bro No. 33.3'
3. Fence E. & W. Bro No. 33.5'
4. 1½" x 42" Pipe Bro No. 33.0'

(1) - B.C. dale Mch 1- 1939- I chain east from the 1/4 corner on So. side of Sec 22-3-16 to what was that to be 1/4 cor. on So. side of Sec. 24 - 10.564.0'
Govt dist was 10.574.4. By Prop. this places the .N & cor of Sec 26 very much off center. Original corner was claimed to have been seen many times by George Arnold, who has lived 1/4 mile So. for 40 years, in the middle of the road. I therefore divide dist of 68 feet between bodyes and set above corner at 26 32.8' east of 1/4 cor. on Side side of Sec 22.
This proportion strikes the W 1/16 Fc line on So. side Sec 23 at which point a corner was set at ne time. Proportion places 1/4 cor. on S. side of Sec 23 - about 17.0' West of fence line, which Mr. Arnold claims are too far east. I chain So. from the 1/4 cor - 1/2 mile No. to 1/4 Cor 1/2 mile south - 5284.0' - Set cor. at 2642.0'
Set 3/4" X 20" Pipe with 1 1/2" X 9" Pin on top and small Bottle and piece of concrete beside.
1. Nail T. P. Bro SW 52.9'

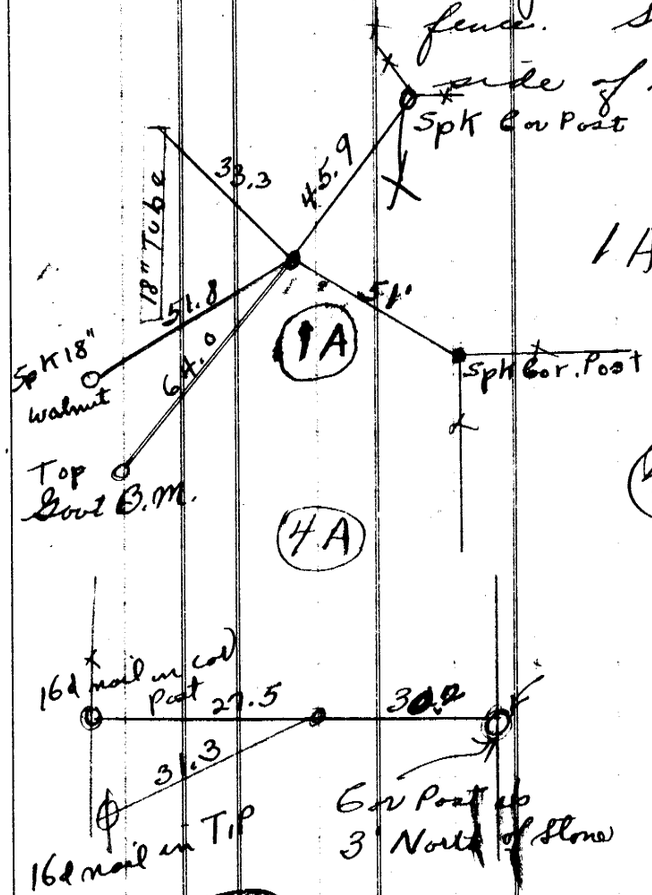
(1) Survey by Shildneck Apr 14, 1920 — Surveyors Record #1 Page 36.
Big Red stone marked X, set by county surveyor about 12 years ago. Set hedge stake on top of stone from which an 18" Box elder bears N 71°-15 E, 57 feet; also Govt bench mark (pipe) S 45°-15 W — 64 ft. Hedge Corner Post stands S E 51 ft. Stone about 20" in ground. Stone used by Relf in 1928.

(2) Survey by Shildneck, 1920. Found Govt stone 6 feet under ground, a little to the north of center of road and 2 or 3 feet west of fence running north. Stone was broken into thin slabs, all together and in a vertical position. Placed a big L.S. marked X directly above said pieces and at surface of ground. from which stone fence on north is 23 ft dist. and fence on South running east is 33 ft dist.
J. F. Relf used this stone in 1928. — See (2) Sec 36

(3) Stone with brick under same set by Mr. Relf in 1928. from which a phone pole bears South 34'-9", a hedge bears N 31'-9".

(4) Stone set by Shildneck in 1920. Set stone about 10" sq. by 14" long with X on top. Stone is in about middle of the road and on line with a hedge running west. Stone is 29.1/4 ft east of west fence. and 30' West of east fence. Stone is 3 ft south and 30' west of big hedge cor post on east side of road. Used by Relf in 1928.



1A Found Stone from above this Corner 30" — Oct 1933 - BB Dale
Set Stone on top

(4A) — Oct 1933 Found Stone — placed witness as shown.

	(1)				Nov 6-1939- Bk Hale- I reset 1/4 cor as per record on Page 259 - Book "C." and Shildnecks record showing Hedges run East to be on line. Set 1/2" x 18" Pipe with 2 1/2" x 6" Brass cap on top. and 1/2 Brick beside. 1. Nail 6" Hg C.P. Brs W. 38.3' 2. Nail 4" Hg C.P. Brs E. 31.3' 3. Hg rows run E & W are on line. 4. 3" x 1/2" x 30" Grader Blade Brs W. 33.0' 5. 24" x 2" x 1/4 spring leaf Brs E 33'. 6. Nail in 8" Hg tree Brs W SW 35.0'					
	(2)				March-1943- Bk Hale - In order to check location of Stone found at S E cor of Sec 36-3-16, I chained west from the N E cor. of Sec 5-2-17. I make the distance from N E Cr. of Sec 5-2-17 to S E Cor of Sec 36-3-16 - 10,562.3' or over run of 2.3'. I claimed the South line of Sec. 36. I make this 5288.7'. The Stone found at S E cor of 36 is located considerably west of the center of road running So. and old road running No. - My Measurements prove stone is not too far West. In Relf's Survey Note Book (X) - Page 60 - Relf located a temp. 1/4 corner by apparently lining over the 1/4 cor on South side of Section and the So. 1/16 cor. His measurement for the No. line of N W 1/4 is 40.24 chs. which would be too long and not correct. Relfs notes calls for the hedge east of 1/4 corner to be on line. I lined over the Sec. corners as set and found and I find the hedge row is not straight. The Hg row over top of hill east of 1/4 corner is on line but the west end is about 3' No of Sec line and the east end of Hg. is considerably South of Sec. line. This proves Sec. cors. are probably correct for No. & So. location. I drove a 1" x 30" Pipe for 1/4 cor to come even with surface in Driveway to field @ the center point 2644.35' from each Sec. cor. and on true line. 1. 10" Stub Catalpa tree useless E. gate Post - Brs E. 5.7'. 2. B.P.P. Brs E. and little So. 23.3' 3. Old Hg row run So. Brs E. 19.0' 4. 1" x 30" Pipe in No. End Hg row run So. Brs E & E. 24.6' 5. Hg row run E. Brs No 3.0'

8. 6" Hg 6. P. Bra No 33.8'

(4A) April 1942 BB Dale - Found 1/4 corner set by Shildneck - a ½" pipe and Buck located 2.2' northeast of real 1/4 corner. - Witness rock set by Shildneck Bears No. 33.0'

(2A) April 1942 - BB Dale - New ties on Shildneck corner. L. S. covered 3' - 1 set 1" x 24" Pipe on tops of stone

1. 1¼" Pipe Bro So. (2' W. of C.P.) 21.0'
2. 4" Hg 6P Bra So. 21.7'
3. 1¼" Pipe Bra S W in Fc 29.0'
4. 1½" x 3' Pipe Bra So. 48.0'
5. 3" Willow tree Bro S & W 44.0

(5) - April 1942 - BB Dale - Found 1/16 cor. set by Shildneck - Flat Bar - 1" x ¼" - Brick beside and covered 5". His witness pipe gone.

1. Fc rem No. Bro W. 1.0'
2. 1¼" pipe Bro No. 33'
3. 24" Boulder Bro No. 13.7'
4. P. Pole Bro NW 45.5'
5. RETP Bro S SW 33.1'

(3A) - April 1942 - Shildneck cor. and tie gone. I raw line over existing corners and also measured from Power line which was set on 33' line. Fc running No. claimed to be on line. I drove ½" x 24" Rod for cor.

1. Fc rem No. ca on line
2. 1½" x 3' Pipe Bro No. 33'
3. RETP Bears SW 42.2'
4. 7" Boxelder Bro So. 32.3'

(3B) 8-1953 - BB Dale - My Rod gone - Found hole it came out of. I set Large L. S with small L. S on top - 1958 grading would cover considerable.

Add Tie 1. RETP. SW 42.5'

2. P. Pole NE 52.2'

① Oct 1934 - B.C. Dale - after several days excavation I found single bit ax setting blade down as used by Self about 20 years previously and as claimed by witnesses to have been set for corner long before. I lined in line of Rolfs fence north and lined in from 1/16 cor east of ax to approximate location of 1/16 cor west and found ax mean this point of intersection. Ax covered 24 inches. I drove a 2" iron pipe 24 inches long in line of ax.

(1) Stone set By Timmerman in 1900 — Used by BC Dale in 1931 to locate SE sec cor. Chain dist put me 4 ft east of stone at cor; 1/4 cor standing on west side of north gate post in line with hedge running south. Large limestone setting vertically about 15 inches out of ground. Large cross on top of stone. Gate stands north and south.

(2) Found Stone set above old corner in 1900 — Different parties had looked for this stone but could not find it. Some of Timmermans chainmen and flagman tried to locate stone and seemed positive of its location but could not find it. I, BC Dale, on Oct 24, 1931 measured east from stone 1/2 mile west, and measured north of 1/4 corner located by original witness tree 1/2 mile south and located stone about 4 ft under ground. Limestone about 6 x 3 x 14 set on edge with small cross on top. I placed a piece of hedge post 3" x 20" on top of stone and placed another stone about 8 x 3 x 10 with cross on top near surface. with the following witnesses.

(2A) 1939 Set 2" Bush on stone

1. Nail 6" Hg No Gate Post N & 27.5
2. " 5" " Post-W SW 26.9'
3. " 7" Elm - W SW 34.9'
4. " 6" " Line West 36.8'
5. 1/2" x 3' Pipe W 33'
6. Tel Pole NW 29.9'

(2B) - 9-21-50 - Stal Br. Moved South

1. New ties ① 1 1/2" Pipe Brs W. 33'
2. No 1 So Rail line Brs E 32'
3. P.P. Brs S E 47.9'
4. T.P. Brs NW 29.8'

additional ties placed on 1/4 corner restored by State Surveyor, H B Lawson in 1927.

Note:— In looking for this 1/4 corner on 6-17-31 I found a limestone — 3.2 feet northeast of 3/4 inch gas pipe set in 1927 and I presume the original govt location — This stone is — BC Dale

② H.B. Lawson Survey, 1927— Original govt cor. witnessed by an original bearing tree which is an Oak 30" dia bearing N 73° E, 37 lks dist. which I mark. Set 1" iron pipe and deposit a marked brick.

③ H.B. Lawson Survey, 1927— Established E 1/16 section cor. Set 3/4" iron pipe and deposit a marked brick, from which, a walnut 9" dia bears West 47 lks. A Linn 14" dia, bears S 45° W. 55 lks dist. (Note— I believe this pipe is located near center of road about 10 rods west of Hanabas residence occupied by Herman Kelly - 1926 BC Dale)

④ H.B. Lawson Survey, 1927— Established W. 1/16 cor. Set 3/4" iron pipe and deposit a marked brick from which, an elm 3" dia bears S 45° E, 40 1/2 lks. An elm 10" in dia bears N 7° W, 12 lks dist. (I located this pipe in 1931 at which time it was found at foot of hill west of new school house, near north shoulder of road, buried 6" and on line with fence running north. BC Dale)

⑤ H.B. Lawson Survey 1927— Restore 1/4 cor. Set 3/4" iron pipe and deposit marked brick from which, an ash 9" dia bears N 87° E, 8 lks. An ash 7" in dia bears N 80° W, 53 lks dist.

④-A 4-10-58 B.C. Dale - Lawson pipe covered 12" - set 2 - 3/4" x 20" pipes over Lawson's pipe

1. 1½" x 3' pipe No. 34'
2. Old Cor. P. No. - & top No. 23.7
3. 12" Burr Oak N.N.W. 44.4
4. 5" Walnut So. 43.4

(2) H. B. Lawson Survey 1927 – Restore 1/4 sec. cor. .09 chs east of center of road in deep cut. Set 3/4" iron pipe and deposit marked brick, from which, an elm 4" dia. bears N 44° W, 50 lks. an elm 6" dia bears S 4 1/2° E., 131 lks.

(3) H. B. Lawson Survey 1927 – Set a 3/4" iron pipe with marked brick 5.26 chs west of 1/4 corner from which a shellbark Hickory, 11" dia bears N 45 1/2° W, 33 1/2 lks dist. A Shellbark hickory 18" dia bears N 57° E - 40 lks.

(4) H. B. Lawson Survey 1927 – Original Govt corner of Sec 16, 17, 20 & 21 witnessed by stumps of original walnut witness tree 18" dia. bears S 68° E, 32 lks dist. Set 1" iron pipe and deposit a marked brick from which a walnut 9" dia. bears S 86 1/2° E, 33 1/2 lks. A walnut 3" dia bears N 72 1/2° W, 38 1/2 lks. A Walnut 5" dia bears S 22° W, 97 lks.

(Note – 1928 – Jake Steinauer, now deceased, claimed that original corner is still in place about 2 ft north of Lawson corner. Original cor. buried 3 or 4 feet. Lawson did not locate stone but set pipe from witness tree – B B Hale) (also see Surveyors Record Book "C" Page 180 for record of this corner and stones on line between Sec 16 & 21 and also survey on Page 239 Book "C".)

1924- Bert Hall, W. J. Surman, C. E. Rowell.
Limestone corner stone laid on roots of 24 inch pin oak which was removed to widen road. Stone was set down 18 inches at location claimed by above parties as the original location of stone. I think stone was covered considerable by grader in working road.
In 1927 — H B. Lawson, a state surveyor working for R.H. Rogers failed to locate stone. I presume he did not dig deep enough. He rebuilt this corner from ties and set a 1 inch iron pipe and deposited a marked brick.
BE Hale

Note — I gave the above ties to H. B. Lawson. He Surveyed in 1927 which he describes in his notes as follows:— Set 1" iron pipe and deposit a marked brick from which a 14" walnut N of W. 51.8", a marked corner post NW 36'-4", a 3/4" pipe W of N, 38'-7". a marked cor. post N E 38'-7". a marked T.P. S E 37'-2". (BE Hale)
5-22-43 - BE Hale - Could not find Dillons Pipe. all ties gone except 14" Walnut W NW and C.P.- N.W. Found L.S. covered 12"- I set 1¼"x 10" Pipe on top.

8/9 — 2-15 — Placed on wrong Page by error.
17/16 — 1926 — Limestone down 8 inches - drove iron rod beside

Note — In construction of St Hy #4 in 1927 - a Concrete Box was put in across this intersection and stone was probably removed ~~Other ties to this corner are given below~~ Ties for this corner were not shown on State plans for Project #246-B

(1) H. B. Lawson Survey 1927 — Original Govt cor. witnessed by stump of original bearing tree as follows — 9 30" oak stump bears S 37° E, 99 lks. a 15" oak stump bears N 24° E, 40 lks. Set 1". iron pipe and deposit a marked brick from which; a walnut 4" dia bears N 48° E, 25 lks. a elm 3" dia bears S 65° E, 21½ links.

(2) H. B. Lawson Survey 1927 — Restore ¼ Sec Cor, Set ¾" iron pipe and deposit a marked brick.

2A — 1933 BC dale after considerable digging I located Gas pipe set by Lawson. Geo Drupfeldt claims original stone set 16½ ft east of west corner Post

(1A) Lawson ties are very poor. I drove 1" x 20" G. P. 25' West and 1" x 20" G. P. 10 east from Corner.

(2B) 9-26-1940 — Found witness Bars gone and pipe pulled out. I found hole where pipe was set - I drove ½" x 4' Pipe to cover 16" with Pc. broken tile beside and bottle at bottom + 1" x 2" Stake on top — BC dale

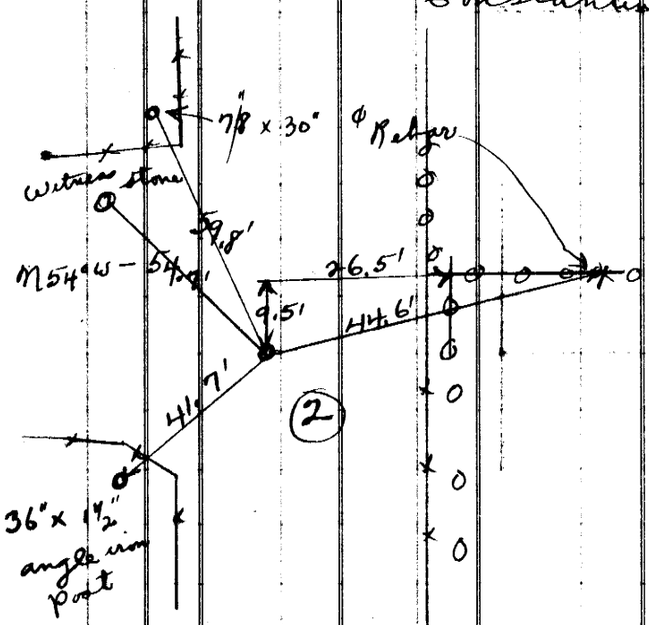
(1) Oct 1934 - BC Dale - Found witness stones 33' north and 33' So. as set by Zimmerman in 1900. I drove ⅞"x36" Re Bars beside stones. I drove 18" x ¾" iron pipe or pin for ¼ cor. Corner came in cut near top of hill. I assumed corner stone had been removed. Mr. Constantine claims stone still in place. - I did not look for it.



(2) - Oct 1934 - BC Dale - I did a lot of excavation for this corner and measuring. Found witness stone set by Zimmerman in 1900. This stone was found setting in place on bank in 1927 by A. J. Ivey doing fill work for County. He set stone down in presence of witness and removed bank to fill intersection. According to E. Michael and his brother they believed stone set north and west of where witness stone placed section corner but they were not positive. The only stone ever used here was the one witnessed by Zimmerman in 1900. I could not find the other witness stone. Found a few small pieces buried where stone should have been. I set ¾" x 18" iron rod with head on it for section corner found witness stone as recorded in Book "6" Page 246 - (2A) New witnesses 1. 2"x3' D P Bro E 33'

(1) May 1943 - Blk Dale - Original corner on ℄ of ditch and destroyed. I did a lot of work on this re-establishment. I retraced all the lines possible on the survey of lots in S ½ cor of Sec 18-1-18 as shown in Book "C" Pg 26 of Surveyors Records. Work was done over a period of years. Distances & Some of lines are omitted in this survey. Some are greatly in error. See notes on original Surveyors record. I lined over ¼ cor. on No. 19 and corner SW cor of Lot #1. I also lined over the stones at the SW Cor of Lot 8 and SW Cor of Lot 2. I excavated for stone set for NE Cor lot ℄ Lot #1 but did not find it. I had also previously measured South from the NW Cor of Sec 5-1-18. The measurement across Pulo was made by measurement and angles along streets. I drove a 1"x5" Bolt in Bridge floor for corner at 241.2 ft south of North line of lot No 1 as determined by line over stones at SW and SE cor of lot No 3. at 2654.8 ft East of the ¼ corner on So side of Sec 18 which equals East dist of 2653.5 ft. plus the average over run of measurements around lot #1. Corner is 5 x 77.2 ft So. of the corner established for the NE cor of Sec 18-1-18. Course 30.0' No. of Hedge row running West.

(2) T. N Berry survey Book 1 - Page 117-118 - Found stone 18 inches south of fence line on lower edge of tack furrows. Drove a 1½" Galvanized pipe 30" long beside stone from which; a 7" Hickory bears West 18.3 ft; a 8" Hickory bears N 85° W - 26.5 ft; A 10" B. oak bears N 45° W - 10.7 ft; a 12" B. oak bears N 45° W - 19.0 ft. a 10" B. oak bears N 10° E - 28.0 ft.

(3) Same survey as (2) - Found original limestone marked 1/16 on north face sticking out of ground 10 inches, from which; original witness tree - an 18" B. oak bears S 25° W - 47.5 ft; an 11" B oak bears S 60° E 29.3 ft.; a 9" B. oak bears S. 60° E 44.5 ft.

(4) Same Survey as (2) - Found original meander corner stone marked M.C on top - stone 16" x 3" x 18". Stone was leaned 3 inches and slightly bent to west. I straightened stone and drove old grader blade 6 ft long x 3 inches wide x 3/8" thick beside stone from which; A Blazed 12" Maple bears West 19.0 ft; A Blazed 20" maple bears North 38.1 ft; A blazed 12" Hackberry bears S 10° E - 14.5 ft. A Blazed 20" forked maple bears S 10° E - 32.6 ft.

(5) Same Survey as (2) - Found broken limestone at south west corner of fill across ravine, stone being 4 ft below road level. I drove a piece of old grader blade 30" long x 4" x ½" beside stone from which; Charred stump of original 30 inch basswood witness tree bears south 10.0 ft; a 12" elm tree bears west 14.1 ft. a 6" Hickory bears N 50° W 23.0 ft;

(6) April 6 - 1933 - Lee Hayes showed B C Dale location of this corner marked by a limestone with looped iron bar driven beside from which a charred post stands west 47.8 feet; I set piece of concrete 2 x 3 x 6" on top of limestone. a 1" apple tree bears N 50° W - 31.2', a car post bears N 25° E - 39.8 ft; a car Post bears N 55° E - 39.0 ft;. a Tel. Pole bears S 60° E - 47.2 ft.

(7) B.C. Dale 1960 found old rusty pipe hole - set 1" x 24" pipe & brick
1. 1¼ x 24" pipe W. 40'
2. Fc east & west on line
3. East Road fc bears E 20'

(8) B.C Dale found 1¼" pipe standing from which;
1. 1¼" P. east 33'
2. Fc. East on line
3. 20" Burr Oak E 35.6
4. 48" Elm E 38.9
5. 6" Hickory S.E. 44.0

BC. Dale - I re-established this corner - Original corner went into Mo. River about 1913. I produced a line from the 1/4 corner Between 31 and 32 north over 1/16 cor. set by Timmerman in 1900 (See record), 1320 ft north of 1/16 cor. at marked point I re established Sec. cor. This point is 2658.3 ft east of 1/4 corner between Secs. 30 and 31. Dont Beat is 2648.6'. I drove in a 1½" x 3' B.P. even with surface and in road. This land overflows often.

1. 1¼" x 3' B.P. Bro So across creek in Fence row 92.8'
2. 18" Box elder Bro S.E. 10.6' 3. East gate Post (12" oak) Bro N E 29.5'
4. 1½" x 3' D.P. Bro N N E on high point 69.7'
5. 1½" x 3' D.P. Bro So. in No. Bank of creek 26.8'

(1A) July 55 - All ties gone except 18" Box elder. Pipe Covered 2' - Set Pipe on top
1. Bolt any Engr P.F Stake SW 45.9' 2. NW Cor Black Coal on Br S E 34.8'
3. Pipe East 18.3'
