General Land Office • Original Field Notes

Book Number

615

The images in this file are photographs of the notes of the original surveys of the State of Nebraska on file in the Office of the Nebraska State Surveyor located in Lincoln, Nebraska.

The original surveys in Nebraska began in the mid 1850's and were completed in the mid 1880's. The Nebraska office of the Surveyor General was closed June 30, 1886.

Signed in my presence and
sworn to by the above Named
persons before me the

undersigned this 27 day of
Nov. 1876
O. R. Goodale
Notary Public for
Lincoln Co Nebra

I, William L. Wells, deputy Surveyor, do solemnly swear that in pursuance of point contract wherein D. V. Stephenson, S.C. McElroy & Mm L Wells are point contractors with John R. Clark, United States Surveyor General of Nebraska & Iowa bearing date Sept 6th 1876 I have faithfully and truly, in my own proper person, and in strict conformity with the instructions of furnished by the Surveyor General, the Surveying manual and the laws of the United States, surveyed all those parts or portions of Township no 17 north of base line of Range no 39 west of the 6th P.M. in Nebraska, as are represented in the foregoing field notes as having been surveyed under my direction. And I do further solemnly swear that all the corners of said surveys have been established and perfected in strict accordance with the surveying manual and printed instructions and special instructions of the Surveyor General of dimension, character construction and marking, and in the manner as specifically described in the foregoing field notes, and that the foregoing are the true and original field notes of such survey.

Wm L Wells
Deputy Surveyor

Signed in my presence & sworn to before me the undersigned this 28th day of Nov 1876

O. R. Goodale
Notary Public for
Lincoln Co Nebr

Surveyor Generals Office,
Plattsmouth Nebraska,
Dec. 12 1876

The foregoing Field Notes of the Survey of Township No. 17 North Range No. 39 West 6th P.M. Executed by Wm L. Wells, Deputy Surveyor under joint contract No 103 dated Sept. 6th 1876, in the month of Nov. 1876, having been critically examined, the necessary corrections and explanations made, the said Field Notes and Surveys they describe are hereby approved

Jno R Clark.

We the undersigned certify that

we assisted Wm L Wells

deputy Surveyor in Surveying

and subdividing Township

No 18 North of the Base line in

Range No 39 west of the 6th PM

in the State of Nebraska

and that said township has

been in all respects to the

best of our knowledge and belief

well and faithfully surveyed

and the boundary monuments

planted according to the instr-

uction furnished by the

Surveyor General of dimension,

charicter construction & mark-

ing and in the manner as

specificaly described in the

foregoing field Notes

and sworn to by the above

named persons before me

the undersigned this

27th day of Nov. 1876

O. Rlogdale

Notary Public of

Lincoln Co Neb

J. William L. Wells, deputy Surveyor, do Solemnly Swear, that in pursuance of Joint Contract wherein D. V. Stephenson, S. C. McElroy & Wm. L. Wells are point contractors, with John R. Clark United States Surveyor General of Nebraska & Iowa, bearing date Sept 6th 1876. I have, faithfully and truly in my own proper person and in strict conformity with the instructions furnished by the Surveyor General; the Surveying manual and the laws of the United States, Surveyed all those parts or portions of Township No 18 north of base line of Range no 39 West of the 6th P.M. in Nebraska as is represented in the foregoing field notes as having been Surveyed under my direction. And I do further Solemnly Swear that all the corners of said Surveys have been Established and perfected in Strict accordance with the Surveying manual and printed instructions and special instructions of the surveys general of dimensions, character, construction and marking, and in the manner as specifically described in the foregoing field notes, and that the foregoing are the true and original field notes of such Survey.

Wm L Wells
Deputy Surveyor

General Description

This Township contains quite a number of good tillable valleys. the soil 1st Rate in quality & suitable for the production of small grain The valleys are all surrounded by Rolling & Hilly Land with soil of 3d Rate. though a great portion of this Township is suitable for agriculture yet it being in the valleys and they so completely hemmed in by the Hill Country the best purpose for which the Township seems at present adapted will be Cattle Raising.
No timber in Township
Water can be obtained in valleys by digging or boring Wells.

List of Names

A list of the names of the Individuals Employed to Assist in Surveying and Subdividing Township No 19 North of Base Line of Range 39 West of 6th P. M. in Nebraska. Showing the Respective Capacities in which they acted.

William Powell Chainman
William Whitten Chainman
Thomas Harrison Flagman
Perry Wilson Flagman

We do hereby certify that
We assisted S. C. McElroy
Deputy Surveyor in Sur
veying and Subdividing
township No 19 North of
base line in Range No
34 West of 6th P.M. in the State
of Nebraska and that said
township has been in all
respects to the best of our
knowledge & belief well
and faithfully surveyed
and the boundary Moments
planted according to the
instructions of the Surveyor
General of dimensions
character Construction
and Marking as specifically
described in the foregoing
field Notes
William Powell Chairman
William Whittle "
J. H. Harman Monument

General Description

This Township mainly Consists of Hilly & broken & Rolling land with Sandy Soil of 3rd Rate. The Valley extending from the South boundary in Secs 33 & 34 & N Central of Township 21. 32 & 33 Sec 8 Contains Soil of Second Rate ~~Cattle~~ Raising is the only use for which this Country seems to be at present adapted,

We the undersigned certify that

we assisted H. M. Elvey
deputy Surveyor in Surveying
and Subdividing Township
No 20 North of the Base line in
Range No 39 west of the 6th P.M.
in the State of Nebraska
and that said township has
been in all respects to the
best of our knowledge & belief
well and faithfully surveyed and
the boundary Monuments
planted according to the instruc-
-tions furnished by the Surveyor
General of dimentions character
construction and Marking
and in the manner as specifically
described in the foregoing
field Notes
